

BB MINERALS^{TM®}
& METALS

Manufacturer, Importer Direct
Exporter of Ferro Alloys.

Manufacturer, Exporter & Trader of Ferro Alloys

Advanced Air Fume System with a Capacity of 50,000 m³ per Minute
In-House Advanced Laboratory for Testing, R&D, and Lab Waste Management
Production Capacity of 400 Metric Tonnes per Month
Advanced Fire-Fighting System
Safety Management
Rainwater Harvesting System
Quality Control and Testing
Regular Workforce Drills

Our main products

Low Carbon Ferro Chrome
Ferro Molybdenum
High Carbon Ferro Chrome
Silicon Metal

OUR Demands

Our finished products will be major raw material in the field of

- Iron and Steel Industry
- Automobile Industry
- Stainless Steel Industry
- Machine Tools and Equipment
- Military Hardware
- High-Speed Tools

Our employee safety

Our environment

Training: Regular safety sessions.

PPE: Ensure protective gear use.

Inspections: Regular hazard checks.

Emergency: Clear procedures and drills.

Health: Support wellness.

Reporting: Simple hazard reporting.

Culture: Safety-first mindset.

Sustainability: Eco-friendly practices.

Cleanliness: Organized workspace.

Lighting: Maximize natural light.

Air Quality: Good ventilation.

Noise: Minimize noise pollution.

Green Spaces: Include plants.

Recycling: Promote waste reduction.

Our company fosters a clean,
sustainable, and organized
environment to boost
productivity

Our Vision

**Be a global leader in high-quality
metal products.**

**Drive innovation and sustainability
in the metal industry.**

**Revolutionize the metal sector
with cutting edge technology.**

Why choose us

- **Top Quality:** Durable and high-performance metal products.
- **Innovation:** Cutting-edge technology for efficient solutions.
- **Expert Team:** Experienced professionals with deep industry knowledge.
- **Sustainability:** Eco-friendly and sustainable production.
- **Customer Focus:** Tailored solutions for every need.
- **On-Time Delivery:** Fast, reliable delivery to meet your deadlines.

Our Partners

Location

Works: SZ 3, SZ 4 & SZ 5, MIDC Industrial Area, Butibori, Nagpur - 441122
GSTIN/UIN: 27BKHPG4665F1Z3
State: Maharashtra, Code: 27

Green-Friendly

- **2,000 Trees Planted:** Enhancing carbon sequestration and air quality.
- **Air Filter System:** Purifying 50,000 cubic meters of air per minute.
- **Rainwater Harvesting:** Reducing reliance on external water sources.
